Accessory List

Power cord x1 HDMI cable x1 Remote control x1 Bracket x2

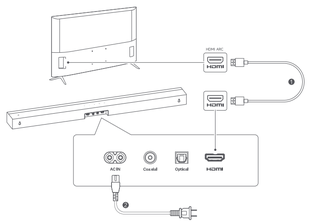

Soundbar and TV Installation

1. Connect to the TV
Take out the HDMI cable from the accessories, and connect one end of the cable to the Soundbar and the other end to the HDMI ARC port of the TV. Depending on the audio output method of your TV, you can also use a coaxial cable or optical fiber for connection. In this case, you need to set the Soundbar to the corresponding audio input mode.
Take connecting a Xiaomi Soundbar to a Xiaomi TV as an example: First use the HDMI cable to connect the Soundbar and the TV. Go to Settings > Display & Sound > Audio output on the TV, and select the HDMI output mode. Then, turn on the Soundbar and switch the mode to HDMI input mode.

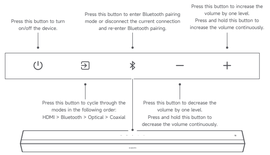

2. Connect the power supply
Connect the AC cable to the "AC in" port of Xiaomi Soundbar, and then connect the power plug to the socket.

3. Turn on the Soundbar
Press the power button on the Soundbar or press on the remote control. The front screen will display "HI" and then display the corresponding channel mode. For the first time you use Soundbar, it will enter HDMI mode by default.

Note: For the best sound quality experience when using the Soundbar, do not place it on the ground. If the TV does not produce sound when the Soundbar is not used, go to Settings > Display & Sound > Audio output on the TV and select an appropriate output mode.

Button Description

To reset factory settings, press and hold and for 3s. Then, the Soundbar will restart.

Connection to a Mobile Device

When the Soundbar is on, press the input source button to switch to Bluetooth mode. Then, the Soundbar enters the pairing/reconnection mode, and "bT" blinks on the front screen. If there is a pairing record, the Soundbar automatically reconnects to the last disconnected device. After successful connection, the screen displays "bT" steadily.

Press the Bluetooth button on the Soundbar or press on the remote control to enter the Bluetooth pairing status or disconnect all currently connected Bluetooth devices and enter the Bluetooth pairing status. Open the Bluetooth settings on your phone, search for Bluetooth name "Xiaomi Soundbar Pro 2.0" , and tap this name to initiate the connection. After the connection is successful, the screen displays "bT" steadily.

Description of different modes on the screen:
HDMI: HDMI input mode
bT: Bluetooth input mode
COA: coaxial input mode

NFC

In Bluetooth channel mode, turn on the NFC function on your phone, keep the phone unlocked, use the NFC area of the phone to touch the NFC icon on the Soundbar, and confirm the connection on your phone. Then, the audio on the phone can be played through the Soundbar.

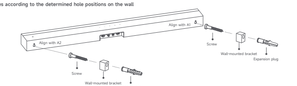

Wall-mounted Installation

1. Determine the hole positions

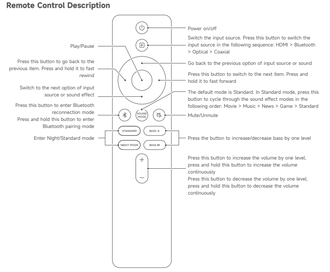

2. Drill holes according to the determined hole positions on the wall

3. Fix the Soundbar

Insert the expansion plugs into the two holes on the wall, thread the screws through the wall-mounted brackets into the expansion plugs, tighten the screws, and secure the Soundbar to the screws.

Remote Control Description

Basic Specifications

Model: MDZ-40-DB
Dimensions: 840 x 87 x 60mm
Input: 100–240V~ 50/60Hz
Frequency response range: 50Hz to 20KHz (-10dB)
Bluetooth frequency range: 2400–2483.5MHz
Operating Temperature: 0°C to 40°C

Rated impedance: Bass: 2 x 4Ω
Treble: 2 x 8Ω
Rated power: 40W (15W x 2 + 6W x 2)
Transmit power: <15dBm
Bluetooth: 5.3

Important Notes

Before using this product, please read and observe the following precautions to avoid danger:
1.The power plug is used as a device to disconnect the power supply.
2. The power outlet should be installed near the equipment and should be easily accessible. For pluggable devices, the output socket should be easily accessible.
3. When the equipment is not in use, disconnect the power supply from the equipment and remove the power plug from the power outlet.
4. Do not place the equipment in an unstable position. The equipment may fall over and cause personal injury.
5. Please keep the device away from water. If foreign objects or liquids enter the device, please stop using it immediately and unplug the power plug.
6. Do not place the equipment in an unstable position. The equipment may tip over and cause personal injury.
7. For Class II apparatus only. This symbol means the equipment is a Class II or double-insulated electrical appliance.
8. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

WARRANTY NOTICE

THIS LEGAL WARRANTY NOTICE INFORMS YOU ABOUT YOUR RIGHTS UNDER THE LEGAL WARRANTY. FOR A FULL UNDERSTANDING OF YOUR RIGHTS YOU ARE INVITED TO CONSULT THE LAWS OF YOUR COUNTRY, PROVINCE OR STATE.

The duration and conditions related to the legal warranties are provided by respective local laws. For more information about the consumer warranty benefits, please refer to Xiaomi's official website https://www.mi.com/global/support/warranty. If you have purchased the Product directly from Xiaomi. In all other cases, please consult your seller. There is no guarantee that the operation of the Product will be uninterrupted or error free. Damages arising from non-compliance with the instructions related to the use of the Product are excluded. If a hardware defect is found within the Warranty period, the Product will be either (1) repaired, (2) replaced, or (3) refunded, depending on your rights under local laws. Normal wear and tear, force majeure, abuse or damage caused by the user's negligence in using the Product are excluded from the warranty. Any after-sales service may be via any person in Xiaomi's authorized service network, Xiaomi's authorized distributors or the final vendor who sold the Products to you.
The present warranty does not apply in Hong Kong and Taiwan.
Products which were not duly imported and/or were not duly manufactured by Xiaomi and/or were not duly acquired from Xiaomi or a Xiaomi's official seller are not covered by the present warranties. As per applicable law you may benefit from warranties from the non-official retailer who sold the Product. Therefore, Xiaomi invites you to contact the retailer from whom you purchased the Product.

Notes

Simplified EU Declaration of Conformity
Hereby, Beijing Xiaomi Electronics Co., Ltd declares that the radio equipment type "Xiaomi Soundbar Pro 2.0 ch" is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: http://www.mi.com/globalservice/support/declaration.html

RF Frequency and power
This device offers the following frequency bands in EU areas only and maximum radio-frequency power
Bluetooth 5.3

CE

For the purpose of recycling to facilitate effective utilization of resources.
Please return this product to a nearby authorized Collection Centre,registered Dismantler or Recycler,or Xiaomi Service Centre when disposing of this product.
What the Wheelie Bin symbol means:The symbol says don't dispose your e-waste into the municipal waste collection bins.That's because these wastes are hazardous in nature and need to be recycled in a special way.

Power consumption standby mode < 0.5W
Time to enter the standby mode in condition for 15 minutes

BT ON
Press the power button briefly to turn on the device. Then press the mode switch button to enter the Bluetooth mode. Finally, click the Bluetooth button to start Bluetooth pairing.

BT OFF
Click the Bluetooth button to disconnect Bluetooth. Switching to other modes will also disconnect Bluetooth: if there is no operation for 15 minutes after connecting Bluetooth, the device will automatically turn off and Bluetooth will be disabled.
